Re: U.S. Utility Patent Application No. 09/843,815
Title: Automated Deployment and Management of Network
Devices
Filed: April 30, 2001
Our Ref: PA3995US

Dear Jon:

As new counsel has been found to prosecute the above-referenced matter, we have filed a request with the United States Patent and Trademark Office to withdraw as attorney/agent of record in the same. This request will likely be granted and all future correspondence from the Patent Office should be delivered directly to the new counsel. We will, of course, forward any correspondence that may be misdirected to us in the interim.

Please be advised that there is a risk of losing rights in the above-referenced patent application if the new counsel does not respond to future communications from the Patent Office in a timely manner.

Sincerely,

Daniel C. Kloke
